

Dear \_\_\_\_\_,

I have committed to be a Day Tripper and I will be walking 5 miles of the Grand Strand on Saturday September 22<sup>nd</sup> to raise money in Sara's Beach Walk.

The money raised through the walk will assist in helping underprivileged children in our community and around the world. They will receive an education, healthcare, and support.

This is a fund raising event and all Proceeds from Sara's Beach Walk will benefit SOS Health Care and their work with Autistic Children through Autism Advocate Foundation and Therapy Dogs through North Star Foundation, SOS Children's Villages-USA and the Sara Goodwin Memorial Foundation. To learn more about these organizations, go to [www.sarasbeachwalk.com](http://www.sarasbeachwalk.com) and click on the logo for each organization.

I am dedicated to raising at least \$50 for this cause and am inviting you to help make a difference. Money that you donate will directly impact the future of children in the Myrtle Beach area and throughout South Carolina.
